

**RSVP for the ECMC Presentation/Panel Discussion Q&A and Drone Guidance Training on Tuesday,
October 7, 2025 @ 8:30 AM (MT)**

Greetings!

ECMC cordially invites you to join an in-person Reclamation presentation and a productive question-answer panel discussion session with ECMC Staff. The session will begin with a presentation by Dr. Denise Arthur focusing on seed mixtures and the importance of native pollinator species in reclamation projects, followed by coverage of frequently asked questions related to Colorado interim and final reclamation, and will move to Operator questions.

The panel will include ECMC Reclamation Specialists from across the State with the objective of creating a platform in Western Colorado where oil and gas operators, contractors, and ECMC can engage in a face-to-face question-and-answer session and discussions related to reclamation.

Join us in-person at the Colorado Mountain College campus in Rifle Colorado on October 7, 2025, from 8:30 to 11:00 am. Please be aware that a remote option for this question-and-answer panel discussion will not be available; please consider the questions you wish to ask and bring them to the Session.

Annual Drone Guidance Training

Immediately following the panel discussion and presentation, ECMC East Reclamation Work Lead Chris Binschus will conduct a cropland Drone Guidance training for oil and gas Operators interested in participating in the drone final reclamation program. Annual trainings are required to participate in the program and at least one Operator representative, or the consultant conducting the work for the Operator, must attend a training. Virtual attendance will be available to those interested. Please refer to the [ECMC Operator Guidance document](#) for more information regarding this program. This training will begin at 11:00 am.

Click [here](#) to RSVP by September 26.

- Remote Zoom credentials will be sent out on October 3rd for those who RSVP.

Click [here](#) to view the PDF invitation announcement and agenda.

Please feel free to pass on this notification to other interested parties.

When: Tuesday, October 7th, 2025 from 8:30 AM to 12:00 PM

Where: Colorado Mountain College, 3695 Airport Road, Rifle, CO 81560

Please note: The Director or Staff of the ECMC are conducting this meeting. While this meeting is not a Commission hearing, it is open to the public who RSVP. Commissioners may attend but the Commission will not make any decisions, issue any orders, receive public comment or adopt any rules during this meeting.

Please email Aaron Trujillo (aaron.trujillo@state.co.us) if you have any questions.

Hope to see you there!
